

CMS BLOCKS RESTRICTION

User Guide

Admin Experience

- Login to Magento admin panel
- Navigate to your CMS blocks, Content > Elements > Blocks
- Select and edit any CMS block which you would like to restrict
- Inside the selected block, you will find a multi-select with customer groups mentioned, select the customer group for which you would like the block to be restricted

The screenshot displays the Magento Admin Panel interface for editing a CMS block. At the top, a yellow notification bar states: "Task 'Update attributes for 2063 selected products': 21 item(s) have been scheduled for update." The main content area is titled "Footer Links Block" and includes a search icon and a user profile icon for "admin". Below the title, there are navigation buttons: "Back", "Delete Block", and "Save".

The "Enable Block" toggle is set to "Yes". The "Not visible for customers group" dropdown menu is highlighted with a red box and shows the following options: "NOT LOGGED IN", "General", "Wholesale", "Retailer", and "DT". The "Store View" dropdown menu is also open, showing "All Store Views", "Main Website", and "Main Website Store (Default Store View)".

Below the dropdowns, there are input fields for "Block Title" (Footer Links Block) and "Identifier" (footer_links_block). A "Show / Hide Editor" button is located below the configuration fields.

The editor area shows a paragraph with two links: "About Us" and "Customer Service". The footer of the page contains the text: "Copyright © 2020 Magento Commerce Inc. All rights reserved." and "Magento ver. 2.3.3" with links for "Privacy Policy", "Account Activity", and "Report an Issue".
