

How to configure Whatsapp Contact and Share Extension

1. Once the extension is installed, navigate to **Stores -> Configuration**
2. Go to **Folio3 Extensions -> Share on Whatsapp**

3. On the General configuration page,
 - a. Set **Enable Extension** to **Yes**
 - b. Select the visibility of the **Contact Us** Button on Product Page. Setting this option to **No** will remove the **Contact on Whatsapp** button
 - c. Select if you want to **Add Product URL to Contact Message**. This option will only be visible if the **Contact Us** button is visible on the Product Page.
 - d. Select a Message for the general **Contact Us** button.
 - e. Set a Mobile Phone Number for Contact with Merchant
 - f. Set position of the **Contact Us** icon through the dropdown

2. On the Product details page, there are two options. You can either share the product with your contacts on Whatsapp using the **Share on Whatsapp** button, or you can send a message to the merchant contact number to inquire about the product, using the **Contact on Whatsapp** button.

The screenshot shows a product page for a 'Proteus Fitness Jackshirt'. The main image features a male model wearing an orange zip-up jacket. To the right of the image, the product title 'Proteus Fitness Jackshirt' is displayed, along with the price 'As low as \$45.00' and the status 'IN STOCK'. Below the price, there are options for size (XS, S, M, L, XL) and color (black, blue, orange). A quantity selector is set to '1', and an 'Add to Cart' button is visible. At the bottom of the product information, there are two buttons: 'Share on Whatsapp' and 'Contact on Whatsapp', both highlighted with red boxes. The page also includes a navigation menu at the top with categories like 'Women', 'Men', 'Gear', 'Training', and 'Sale', and a breadcrumb trail: 'Home > Men > Tops > Jackets > Proteus Fitness Jackshirt'. A small WhatsApp icon is located in the bottom left corner of the page.
